

LREC 2020 Satellite Event  
**1st Joint SLTU (Spoken Language Technologies for Under-resourced languages) and CCURL (Collaboration and Computing for Under-Resourced Languages) Workshop.**

(\*subject to acceptance by LREC Workshop committee)

Marseille, France – May 10th-12th 2020

### Workshop

This year SLTU and CCURL workshops will have a shared event as a satellite of LREC 2020 in Marseille (France). Organized by SIGUL, a joint Special Interest Group of the European Language Resources Association (ELRA) and of the International Speech Communication Association (ISCA), this joint workshop will gather researchers working on speech processing and NLP for low resourced languages.

### Important Dates

Paper submission: January 31st 2020

Notification of Acceptance: February 28th 2020

Workshop: 10-12 May 2020

### Chairs

Dorothee Beermann (NTNU, Norway)

Laurent Besacier (LIG, Grenoble, France)

Sakriani Sakti (NAIST, Nara, Japan)

Claudia Soria (CNR-ILC, Pisa, Italy)

### SIGUL

The workshop is organized by SIGUL, a joint Special Interest Group of the European Language Resources Association (ELRA) and of the International Speech Communication Association (ISCA).
